

CSS Canada organizes Appreciation Day

On November 16th, CSS Canada organized an Appreciation Day for the donors in Montreal, a joyful and warm gathering with the participation of nearly 40 members, including one sister who came from Ottawa

This was an opportunity to introduce next year WPG and encourage members to participate in the Altruistic Ordination Program and the Bodhisattva Dharma Protector Program in April 2025.

With the warmth and care of the brothers and sisters in the food, decoration, and reception teams, the guests who attended were very happy and touched. When leaving, everyone expressed their desire to gather again soon.
